

This course which helps students prepare for the SAT reasoning Test was redesigned in 2016, and it now offers a 50% increase in the total MATH score. We will provide instruction and a review of the required academic skills with an emphasis on test-taking tips and strategies.

2016年5月より新しくなったSAT® Reasoning Testのスコアの半分を占めるSAT Mathの対策講座です。

Schedule	
Monday, September 12th 7:15 p.m. to 8:40 p.m.	Algebraic Inequaliteies 「不等式」
Monday, September 26th 7:15 p.m. to 8:40 p.m.	Absolute Value Equations and Inequalities 「等式と不等式の絶対値」
